Subpart D—Regulations for the Recourse Seed Cotton Loan Program

SOURCE: 61 FR 37612, July 18, 1996, unless otherwise noted.

§ 1427.160 Applicability.

(a) The regulations in this subpart are applicable to the 1996 through 2002 crops of upland and extra long staple seed cotton. These regulations set forth the terms and conditions under which recourse seed cotton loans shall be made available by the Commodity Credit Corporation (“CCC”). Such loans will be available through March 31 of the year following the calendar year in which such crop is normally harvested. CCC may change the loan availability period to conform to State or locally imposed quarantines. Additional terms and conditions are set forth in the note and security agreement which must be executed by a producer in order to receive such loans.

(b) Loan rates and the forms which are used in administering the recourse seed cotton loan program for a crop of cotton are available in State and county Farm Service Agency (FSA) offices (State and county offices, respectively). Loan rates shall be based upon the location at which the loan collateral is stored.

(c) A producer must, unless otherwise authorized by CCC, request the loan at the county office which, in accordance with part 718 of this title, is responsible for administering programs for the farm on which the cotton was produced. A CMA must, unless otherwise authorized by CCC, request the loan at a central county office designated by the State committee. All note and security agreements and related documents necessary for the administration of the recourse seed cotton loan program shall be prescribed by CCC and shall be available at State and county offices.

(d) Loans shall not be available for seed cotton produced on land owned or otherwise in the possession of the United States if such land is occupied without the consent of the United States.

§ 1427.161 Administration.

(a) The recourse seed cotton loan program which is applicable to a crop of cotton shall be administered under the general supervision of the Executive Vice President, CCC (Administrator, FSA), or a designee and shall be carried out in the field by State and county FSA committees (State and county committees, respectively).

(b) State and county committees, and representatives and employees thereof, do not have the authority to modify or waive any of the provisions of the regulations of this subpart.

(c) The State committee shall take any action required by these regulations which has not been taken by the county committee. The State committee shall also:

(1) Correct, or require a county committee to correct, an action taken by such county committee which is not in accordance with the regulations of this subpart; or

(2) Require a county committee to withhold taking any action which is not in accordance with the regulations of this subpart.

(d) No provision or delegation herein to a State or county committee shall preclude the Executive Vice President, CCC (Administrator, FSA), or a designee from determining any question arising under the recourse seed cotton program or from reversing or modifying any determination made by the State or county committee.

(e) The Deputy Administrator, FSA, may authorize State or county committees to waive or modify deadlines and other program requirements in cases where lateness or failure to meet such other requirements does not adversely affect the operation of the recourse seed cotton loan program.

(f) A representative of CCC may execute loan applications and related documents only under the terms and conditions determined and announced by CCC. Any such document which is not executed in accordance with such

§ 1427.162

terms and conditions, including any purported execution prior to the date authorized by CCC, shall be null and void.

§ 1427.162 Definitions.

Section 1427.3 of this part shall be applicable to this subpart.

§ 1427.163 Disbursement of loans.

(a) A producer or the producer's agent shall request a loan at the county office for the county which, in accordance with part 718 of this title, is responsible for administering programs for the farm on which the cotton was produced and which will assist the producer in completing the loan documents, except that CMA's designated by producers to obtain loans in their behalf may, unless otherwise authorized by CCC, obtain loans through a central county office designated by the State committee.

(b) Disbursement of each loan will be made by the county office of the county which is responsible for administering programs for the farm on which the cotton was produced, except that CMA's designated by producers to obtain loans in their behalf may, unless otherwise authorized by CCC, obtain disbursement of loans at a central county office designated by the State committee. Service charges shall be deducted from the loan proceeds. The producer or the producer's agent shall not present the loan documents for disbursement unless the cotton is in existence and in good condition. If the cotton is not in existence and in good condition at the time of disbursement, the producer or the agent shall immediately return the check issued in payment of the loan or, if the check has been negotiated, the total amount disbursed under the loan, and charges plus interest shall be refunded promptly.

§ 1427.164 Eligible producer.

Loan and loan deficiency payment documents executed by any such person will be accepted by CCC only if they are legally valid and such person has the authority to sign the applicable documents.
